REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Andrew Jackson Middle School continued to move forward with academic success and school-wide improvements. Having missed making AYP by only one goal/performance area, we recognize the need to continue our efforts and have reason to celebrate our progress. We continue to evaluate all programs and practices for insight and growth with the hope that this will help us meet the elevated state standards for AYP in 2011 and forward. Our school and district initiative in streamlining programs and policies through professional learning communities and schools has created an atmosphere of coherence and determination at every level and function. Collectively we are putting children first as we strive to succeed for them and there future.

AJMS embraces the ideology of teaching and learning together in and through the Arts. Our students and staff continue to create and cultivate a community of learners and a climate of learning that is rich in family and service. Our signature programs in the arts reach many students and give the community and school a point of common interest that touches all facets of our daily lives. The Veteran's day program brought in nearly 100 county veterans to be honored by students performances directed at upholding veterans, their families, and their contributions to our freedom. Our Black History program did the same with respect to the diversity and unity in our school community.

Our goal at AJMS is to provide academic and arts-focused opportunities that align with our mission of creating life-long learners.
